The Promoter will call the randomly drawn entries, in the order they were drawn and recorded, and via their fixed line telephone and/or mobile telephone number from which their entry was originally received. In the event that within their entry, the entrant stipulates a different number from which their entry was originally received, this number will be used to call the entrant. In the event an entrant leaves both a mobile number and a landline number in their entry, the Promoter will call the mobile number if the entrant is drawn. Entrants must satisfy the “Valid Winner Requirements” set out in clause 12 below to qualify for a prize.
12. For each Draw Periods there will be one (1) call per live broadcast of The Today Show (subject to clause 15 below). In the case of Draw Period 5, in the event that the first (1st) call in this period is not a valid winner in accordance with the Valid Winner Requirements, then the Promoter will call the remaining twenty nine (29) entrants in the order they were drawn, until the call is answered and recorded to ensure that any remaining monies are awarded. In this event, the representative will be taken to be the winner of the relevant Draw Period. If the entrant does not agree to his/her representative winning the prize on the entrant’s behalf, that prize will be forfeited in whole and no substitute or compensation will be offered to the entrant or their representative.
15. The final decision in determining whether or not an entrant has answered the phone in a manner that satisfies the Valid Winner Requirements, will remain at all times with the Promoter and will be determined by the Executive Producer of The Today Show or their nominated representative on the day. No correspondence will be entered into. **The Promoter advises that entrants must take care in preparing to answer their call correctly (including but not limited to ensuring that the entrant’s phone is close within reach at all times).** For the removal of doubt, the Promoter is neither responsible nor liable for any loss or damage suffered in the event that the entrant is unable to correctly answer the call as required.
16. If the entrant does not satisfy the Valid Winner Requirements, that entrant will not be a valid winner. In this case, the prize that was available for the relevant Draw Period will be forfeited and will go into the next prize pool for the next drawn entrant. An entrant who forfeits a prize under this clause will not be offered any substitute or compensation.
17. In the event that any broadcasts of The Today Show are changed, delayed or cancelled for any reason, the winner announcements that were scheduled for that broadcast will be carried out in the next show broadcasted on the next business day.
18. or engaged in any unlawful or other improper misconduct calculated to jeopardise fair and proper conduct of the promotion. Errors and omissions may be accepted at the Promoter's discretion. 21. It is a condition of participation that a winner will be required to sign legal releases in any form to be determined by the Promoter at its absolute discretion.
22. The Promoter and/or the program producer reserve the right to terminate any entrant's call if, in their sole discretion, they believe that the entrant is being in any way impolite, abusive or offensive and to prohibit any such entrant from future entry to the promotion during the entire Promotional Period.
