

SPACE INVADERS

TransformYourSpace Renovation with Cherie Barber

Episode 3 | **Kashmira & Siddarth** Room Renovated: **KITCHEN**

There are different types of clutters & Kashmira is a great example of what's called a 'behind closed doors' clutterer. She is house proud but when you open the drawers of her kitchen, stuff literally falls out! She has multiples of everything including 5 ice cream makers, 15 spatulas, countless dinner sets & is happy to explain it as “a big difference between the same & similar”.
